In the last 26 years, our lives at Norton High School have been enriched by Joan Vital's teaching, mentoring, and friendship. On July 27, 2002, we lost one of the school's finest math teachers. In addition to teaching, Mrs. Vital assumed many responsibilities at the school as the technological supervisor. She was always willing to listen and advise her students and colleagues. She was responsible for introducing the Virtual High School, an online course, as an elective for students. In addition, she initiated the construction of a cable studio for student access, which was named in her memory at a dedicton ceremony on October 18, 2002. Along with this plethora of responsibilities, she still found the time to advise the math team and many class activities. She was always available for students who requested extra help.

Knowing her, one could not help but notice her smile and everlasing patience. It was clear to all that she loved interacting with students and encouraged all to do their best. She saw great potential in every student. Mrs. Vital was a dedicated and inspirational teacher. She will be missed.

Joan V. Vital

The morning of September 25, 2002, saw students and teachers heading towards Norton High School to honor the memory of Mrs. Joan Vital. Mrs. Delores Robbins, a former teacher at the high school, initiated the idea for the bike-a-thon/walk-a-thon in order to raise money for the Joan V. Vital Memorial Scholarship Fund. Many items were donated in order to make the 10-mile bike-a-thon and the 3 mile walk-a-thon a success. Local merchants helped in the effort with generous donations. Many students either biked or walked while other students baby-sat at the school. Some staff members and administration representing all five schools participated in the event. Also in attendance were Mrs. Vital's husband Paul, her two daughters Jennifer Vital and Lisa Bertola, her two granddaughters Gabrielle and Sofia and her parents. All in all, the bike-a-thon raised more than $12,000 for the scholarship, which will be awarded to a deserving senior at Class Night.

Mrs. Vital, flashing that bright, brilliant smile.

Saying Good Bye to Our Dream-Makers

Looking back we realize that Mrs. Gagnon has been a teacher since 1968, finishing her teaching dream at Norton High School. She succeeded in bringing art and beauty to our building by starting the tradition of student-painted murals and ceiling tiles. Mrs. Gagnon also founded the Art Honor Society at Norton High School. She describes her work as her pride and joy, it is evident that she is an enthusiastic teacher of art, and will be missed by her students. She plans to keep busy by traveling with her grandchildren, visiting museums, volunteering, quilting, and most of all — relaxing.

Mr. and Mrs. Kieser will also be retiring this year, moving on to their next dream. The couple met while working at Norton High School, forming a lasting bond. Mrs. Eileen Kieser speaks fondly of the relationships she has formed with the teachers and her students. Mrs. Kieser is looking forward to playing bridge, and wants to learn American Sign Language, while expressing interest of volunteering to work with the deaf. Mr. John Kieser, as a guidance counselor, has guided many students to graduation, while working hard toward helping students reach their full potential. Mr. Kieser looks forward to many hours on the golf course. Together, they dream of relaxing, spending time with their granddaughter, and traveling.

 Phill Smith's dream is to own a motorcycle and go skydiving every day.

yearbook

The yearbook staff all revolves around true dedication. Throughout the year, the staff works diligently to meet important deadlines. Many members stay after school for many hours and even commit to full day Saturday meetings. The staff works hard in different groups to find and take pictures, collect advertisements, and write copy for every picture. It takes many versatile members to learn about every activity and sport in the school. A member must have self-motivation to keep on task and complete their given pages, under advisement of Ms. Robin Hall and Mrs. Elaine Ardagna. Co-editors Sharon Novick and Ali Fahey pull the staff together with great teamwork.

Semi/Snowball Dances

Amy Pompei, Jess Cohen, Stacey Salotto, and her date.

Anticipating a night of laughter and memories, juniors and seniors gathered at the Holiday Inn for the annual Norton High School semi-formal entitled "Dreaming of You." The Spanish and French Honor Societies planned the memorable evening. Two months later, the sophomore class sponsored the formal "Snowball Dance" especially for the underclassmen.

Prom

On a beautiful May night, the members of Norton High School arrived in style at The Holiday Inn in Mansfield for the Junior-Senior prom. The theme, "Open Arms," reminded the members that, although their high school years were coming to a close, friends would always be there with open arms. Prom King and Queen, John Broderick and Tiffany Azzolina, stole the spotlight for the royal dance. An enchanting night of tears and laughter, the 2002 prom was a night to remember for all.

Dreams in their entire splendor are forever seen,
But remain away from being seen.
Can any of this make sense?
It's perfectly correct,
Though it seems not possible to interpret.
Find a way in the jungle that is literature and language,
Surrounded by mystery and shrouded in misconceptions,
Hold onto the dreams you build throughout your life.
Think and allow your mind to flow
In ways you only dreamed possible.
Not all can be expected to arrive at the same conclusions,
Though past scholars have taught so through the years;
It is the true masters who preach the unthinkable.
Be unthinkable!
Run into the night with no word on why.
Do all that can be done!
Feel all that can be felt!
Wield your time
Bend the very marrow of universal barriers!
Live for the dream that is today.
Live for what is and was and can be,
Don't live for something that is thought up
By someone who knows neither what your dream is
Nor who you wish to become!
Listen to these words,
Don't just read and let them pass you by!
Let all who are able hear it!
Let the words reach the very thought in the back of your mind that grows;
The one that gets beaten down and cast out.
Awake!
Find what is to be found!
Let it be lost
And let it stay lost in finding it.
Don't understand all that is said here;
Stand in all that can be said here!
Be found in finding the way to where it's wished to be!
Fall upon the ground with a sense of floating,
And know that there is nothing greater
Than the greatness inside of your dream
And the beauty that grows within the soul!

We Are Thinking of You, Erin Camara

Friend to the End

I had a friend who was very caring; we were always sharing and comparing.

We were really tight and our thoughts were so much alike.

We discussed everything right down to our friendship rings.

There is a distance between us now it would be explained somehow,

but because our friendship is strong, it will never lose its power,

Amanda Hale

Captains Matt Belt, Chris Caulfield, John Jurgilewicz, and Matt Rafferty showed the rookie runners what track was all about. With Matt Belt as the veteran sprinter, Matt Rafferty and John Jurgilewicz as the experienced two and one mile runners respectively, the newcomers were able to learn from the best. Additionally, Chris Caulfield's skill in the shot-put helped the Norton team to succeed.

My Son, My Son

My son, my son, you're everything to me.
My son, my son, you're all I hoped you'd be.
My son, my son, my only pride and joy,
God bless and keep you safe,

For all the care and heartache
Life has brought to me
One precious gift has made it all worthwhile
For Heaven blessed and with
Great joy rewarded me
For I can look and see
My own beloved son.

The best you can.
And in my heart I'm sure
You'll face life like a man
My pride and joy
My life, my boy
My son, my son.

There is no greater gift for a man, than to have a son to carry his name into the future. I am very proud to have you to do this for me. God Bless you, Michael, for He has certainly blessed me with you.

A dream is a seed,
The seed of a tree
A tree full of life,
And the things you can be,
Your dreams are the windows,
Through which you can see,
A hint of your future,
And the things you will be,
Each night when you sleep,
You're feeding the seed,
The seed of the tree,
Of who you will be.

Renee,
We were there on March 11, 1985. "It's a Girl!" they said ... Seems like yesterday! How could we have imagined how wonderful you would be. You've made us proud.
